

WILL LABORERS ARE ON A STRIKE

Paterson Workmen Become Violent, Smashing Windows.

ABOUT WAGES AND THE HOURS ASK THAT FIFTY-FIVE HOURS SHALL BE WEEK'S WORK.

PATERSON, N. J., April 23.—Striking cable helpers today stormed the establishments that were still running and by force compelled a complete suspension of business in their town.

The conservative element among the strikers had in the meantime discovered the violence of their fellows and urged a return to peaceful means to gain the end that is sought.

When the strikers completed their campaign against the plants in operation the number of men out was found to be nearly 4,000.

Strikers Break Windows. The disorder began early in the day and was unexpected. A meeting of strikers was held at 8 o'clock at Rueber's Riverside hall, and 2,000 men gathered at the place.

The old prices per hour were: Helpers, 16 1/2 cents; machine men, 18 1/2 cents; finishers, 22 cents; learners 14 1/2 cents.

While the meeting was in progress hundreds of strikers stood outside the hall angrily discussing their grievances.

The radicals urged a raid upon the works still in operation and when their suggestion was approved, headed a rush for the plant of Johnson, Cowdin & Co.

Men Quit Their Work. Windows were smashed, chemicals spilled and much damage done.

Almost simultaneously an attack was begun on the works of Emal Geering, and when the riotous street was cleared then they turned those in the van to keep away.

ASKS BIG SUM FOR CANAL SITE

Colombia Explains What It Is Willing to Do if Bill Passes.

SEVEN MILLIONS ON ACCOUNT NEEDED GOVERNMENT ASKS A DEPOSIT AS A PRELIMINARY.

WASHINGTON, April 23.—There has been some recent communication between Secretary Hay and the Colombian minister, Mr. Concha, containing the basis of an agreement between the two countries in the event of congress authorizing the construction of a canal.

The secretary's memorandum was sent to Mr. Concha today. The purpose of the communications was to remove room for doubt as to what each government would do if a canal was directed to be built.

The following authorized statement concerning the propositions of Colombia, as they stand, was made public today:

"The United States is granted exclusive right to construct, operate and protect a canal, as well as all railroads, telegraph and telephone lines and auxiliary works within the zone.

"Colombia gives unqualified consent to the sale and transfer of the Panama Canal company's rights to the United States.

"The period will more than cover the time of construction. At the end of the four-year period, the annual compensation for the first fourteen years shall pay thereafter shall be determined by a board of five commissioners.

"The old prices per hour were: Helpers, 16 1/2 cents; machine men, 18 1/2 cents; finishers, 22 cents; learners 14 1/2 cents.
